

## DO YOU WANT A CAREER— NOT JUST A JOB?

Fort Myers Technical College (FMTC) was established in 1967 and is part of The School District of Lee County. Fort Myers Tech features a caring and skilled staff of program instructors in a safe learning environment.

Fort Myers Tech offers many diverse technical and industrial programs. Students may receive part-time or full-time job assistance while attending FMTC.

Fort Myers Tech specializes in career training designed to take you from your career choice to the workplace as quickly as possible.

*Fort Myers Technical College is accredited by the Council on Occupational Education and AdvancEd.*

*Your career starts at  
Fort Myers Tech!*

**MISSION:** The mission of Fort Myers Technical College is to provide high quality career and technical training, in order to prepare students for current and emerging industries, delivered by a professional and caring staff in a positive learning environment.

**VISION:** All students enrolled in vocational/technical programs will obtain workforce credentials through certificate programs and, where applicable, industry certification and/or licensure.

The School District of Lee County does not discriminate on the basis of gender, race, color, age, religion, sex, sexual orientation, national or ethnic origin, marital status, or disability in the provision of educational programs, activities or employment policies as required by Title IX, Title VI, Title VII, Age Discrimination Act of 1967 and Section 504 of the Rehabilitation Act of 1973, 1992, Americans with Disabilities Act, the Florida Educational Equity Act of 1984 and the Boy Scouts of America Equal Access Act. Established grievance procedures and appropriate discrimination complaint forms are available from the Equity Coordinator at Fort Myers Technical College. Complaints/inquiries regarding compliance with these regulations may be submitted in writing to: Equity Coordinator, Fort Myers Technical College, 3800 Michigan Ave., Fort Myers, FL 33916.

Lack of English language skills will not be a barrier to admission and participation. The District may assess each student's ability to benefit from specific programs through placement tests and counseling, and, if necessary, will provide services or referrals to better prepare students for successful participation.

# Enroll in 2 Easy Steps

1

Call or stop by to explore your career choices and ask for information on entrance requirements.

2

Meet with Student Services to enroll in your career training program.

*The tuition rate is set by the state legislature and is typically adjusted annually. Call FMTC for this year's rate and applicable lab fee.*
